## EyeLoc Head Gear

According to a recent independent study, the putting stroke is used more frequently than any other swing during a round of golf. It is a critical part of the game. Ask any PGA Teaching Professional what the single, largest technical cause of missed putts is and they'll tell you that it's head and/or eye movement. Even the smallest movement of the head or eyes during the putting stroke can be fatal to your putting results. EyeLoc Head Gear is revolutionary eyewear designed as a training aid to help keep a player's eye locked on the ball. By adjusting the vertical lines on the patented sliding lenses to your exact PD (Pupillary Distance), the two lines become one laser sharp line. This provides you with instant feedback and helps you detect even the slightest head or eye movement as the ball moves outside of the line. EyeLoc Head Gear (patent & trademark pending) is available in two sizes, Medium and Large (to accommodate any PD) and the frames come in two colors; Yellow or Black and your choice of either Dark Gray Polaroid or Yellow lenses. Price: \$79.00. Order online at [www.EyeLoc.com](http://www.EyeLoc.com).

## Alphard Golf - DUO LT

The revolutionary Duo Cart Lite is an all-in-one pushcart and golf bag combination that is extremely compact, so it fits easily in the trunk of your car, and takes just seconds to set up. The Duo Cart features 4 large wheels that provide a low center of gravity and outstanding stability on even the toughest terrain. The Bag has a plethora of storage pockets for balls, tees, raingear, and other necessities. It comes standard with attachable accessories like an umbrella holder and adjustable drink holder. The Duo Cart Lite offers fun and energetic colors with the same convenience and practicability you would expect from any Duo Cart. The new and improved main latch locking system coupled with the hydraulic assisted back wheel system make folding and unfolding a breeze. It easily sets up in two steps. Best of all the Duo Cart is "Riding Cart Friendly", which means its wheels can be removed from the anodized aluminum frame in just seconds and converted into a Cart Bag, which fits on all standard electric or gas carts, should you decide to Ride instead of Walk! The Duo Cart Lite is available in Lime, Orange or Violet. Price: \$299.95. Order online at [www.AlphardGolf.com](http://www.AlphardGolf.com).
